

# PAKT4CHANGE LTD

## Official Launch Invitation

### Distinguished Corporate Guests

**Tuesday 7<sup>th</sup> June 2016 at 5:00pm**

**Woodside Room: Hilton South Wharf, 2 Convention Centre Place, Melbourne**

With excitement and anticipation we invite you to celebrate with us the launch of PaKT4Change: **the first Australian not-for-profit charity to offer nation-wide child and family support through music therapy.**

**PaKT4Change creates music with Australia's most vulnerable kids and families to build healthy connections and positive life skills.** Our highly qualified and passionate team members share a bold vision for the positive and productive future of Australia's children and youth. Our programs focus on sustainable long term outcomes and address key developmental, relational and wellbeing goals to generate profound change. Using music to effectively encourage and engage participation, our work is already making an impact.

This auspicious event acts as an opportunity to introduce the work of PaKT4Change, to share stories of significant change in our journey so far, to engage key players in important discussions about the need for **innovative** approaches to family support, **and to offer good people in the corporate world a fresh, unique chance to contribute significantly to brighter futures for our kids and young people.**

Drinks and canapés will be provided on the night, shared amidst music and a short presentation. A silent auction will offer some enticing items and most importantly, we welcome your input into informal dialogues about collectively making a difference. It is anticipated the event will run until approximately 6pm and we would be genuinely honoured to have you join us.

**RSVP by Monday 23<sup>rd</sup> May, 2016 to Kate Teggelove, Executive Director,**
